About Me

NRC.NO: 11/KAPHANA(N) 149059

My name is Yan Naing Win, and I am passionate about programming and web development. I studied and practiced programming simultaneously. Although I have no professional experience in this field but i have hands on experience with my projects, I am eager for new challenges, specializing and focusing on backend development with PHP & Laravel. I am well-versed in Laravel concepts and documentation, such as Laravel policy, middleware for authentication and authorization, and more. Additionally, I am familiar with HTML5, CSS3, Tailwind CSS, and JavaScript.

Work Experience

Lead Front-End Developer - Tech Company

(2020 - Present)

- Developed cutting-edge, scalable front-end applications using React and Vue.js.

- Implemented best UI/UX practices, optimizing performance and responsiveness.

- Led a team of developers in delivering high-quality projects on time.

Education
